

CHÂTEAU DE NAGES – HERITAGE – ROSÉ – 2022

This magical terroir gives naturally exuberant wines. Our family works this land to privilege its wines' freshness and balance. Its Rhone signature recalls the most prestigious appellations in the southern part of our beautiful valley.

We harvested the Syrah & Grenache rosés at the end of August. It was essential to harvest at night and to have the ability to chill the grapes as the nights were hotter than usual. As with the whites, we have observed moderate potential degrees and balanced acidities and have chosen to limit stabling on lees or lees, to keep the palate light and fresh.
