

CHÂTEAU DE NAGES – CUVÉE JT– WHITE – 2023

Dedicated to our visionary great grandfather, this cuvee of northern Rhône character is from our very best parcels of Roussanne.

After a dry and cool winter, with budbreak occurring at the usual times, the warm and rainy spring helped the vines thrive. A sunny summer ensured optimal grape ripening, and the lack of significant water stress, along with refreshing sea breezes, preserved their acidity. The 2023 vintage stands out for its exceptional balance of maturity and freshness.
